

## MEET THE TEAM OF BOARD-CERTIFIED RADIOLOGISTS AT AIC

All our Radiologists are Board-Certified by the  
American Board of Radiology

### RAY HASHEMI, MD, PHD

Dr. Hashemi received his BS, MS, and PhD in Electrical and Computer Engineering from UC Santa Barbara and his M.D. from the University of Miami School of Medicine (an accredited 2-year PhD to MD program). He completed five years of Radiology Residency at Kaiser-Sunset, which included six months of training at UCLA, six months at USC, and 6 months at the LA Children's Hospital. Dr. Hashemi also completed a one-year MRI fellowship with Dr. William Bradley (who is now the Chief of Radiology at UC San Diego) in Long Beach, CA. In 1998, Dr. Hashemi founded AIC. Dr. Hashemi is the Principal author of the book "MRI: The Basics," 3rd Edition, 2010, which is being taught at major University radiology residency programs.

### VIKEN MANJIKIAN, MD ("DR. VIK")

Dr. Vik completed four years of Radiology Residency program followed by a one-year MRI fellowship at USC Medical Center. Dr. Vik also completed a one year fellowship in Vascular/Interventional Radiology at Albany Medical Center. Dr. Vik has been a local resident of the Antelope Valley for the past 10 years, previously working in our local hospitals. He has joined us at Advanced Imaging in order to practice cutting edge Radiology.

### KIMIA KANI, MD

Dr. Kani has recently joined our practice. She is fellowship-trained and board-certified with Neuroradiology and MSK as well as Body Imaging expertise. Dr. Kani has more than 10 years of academic and training experience in radiology. She has a one-year fellowship training in each of these areas from the University of Washington in Seattle : neuroradiology fellowship, musculoskeletal radiology fellowship, body imaging fellowship, and body oncology imaging fellowship, for a total of 4 years of fellowship training.

### HAROUTUN (HARRY) ABRAHAMIAN, MD

Dr. Harry Abrahamian received his BA in Biochemistry from Occidental College and his M.S. from Georgetown University in Physiology and Biophysics. He then obtained his medical degree at University of Vermont College of Medicine and completed a one-year internship in preliminary medicine as well as 4 years of radiology residency at Bridgeport Hospital/Yale New Haven Health System in Connecticut. Upon coming back to California, he completed his Musculoskeletal Fellowship at Cedars Sinai Medical Center. Dr. Abrahamian is board-certified by the American Board of Radiology (ABR).

### SATYA SAHU, MD

Dr. Sahu received his Ph.D. in solid state Semiconductor Physics from State University of New York at Albany, post- doctoral fellowship at SUNY/Albany with NASA, Jet Propulsion Lab and Solar Energy Research Institute projects guiding Ph.D. and M.S. students towards their thesis , NIH post doctoral fellowship at University of Colorado HSC Denver doing cancer research with radiobiology and MRI research with a large number of publications, M.D. from the University of Miami School of Medicine (Ph.D. to M.D. program), one year of internal medicine at Montfiore Hospital NY, four years of radiology residency at St. Vincent Medical Center of Richmond, NY, and finally a one year MRI fellowship at USC, Los Angeles.

### RAY LERTVRANURAK, MD ("DR. LERT")

Dr. Lert is a graduate of George Washington University School of Medicine. He trained in Radiology at UC Irvine and is fellowship trained in Neuroradiology at Stanford University.

### FARHAD HOURIANI, MD

Dr. Farhad Houriani is a graduate of Wayne State University School of Medicine in Detroit, Michigan. His one-year internship was at Harbor-UCLA Medical Center. He then completed his residency in Diagnostic Radiology at Loma Linda University School of Medicine in 2000. Dr. Houriani also did a one year fellowship in Body Imaging at Harbor-UCLA Medical Center. He has been in practice since 2001.
